

Ahlena, Booty (piosenka na Eurowizja 2023)

No, not this again
I told you
I didn't know he had a girlfriend
You took him! You took him from me
I didn't steal your guy, boss
What does he even see in you
I guess... hah
He just can't have enough of me... cause
Booty, booty, booty, booty, booty so fat
I know you really, really, really want that
All his bitches hate me, hate me, hate me they mad
I can have you, him and him and his dad
I don't dress to impress
But you should see the way my bum bum jiggles in this dress
I can thrift, or I can wear designer
Doesn't matter, I'm his sole desire
Booty, booty, booty, booty, booty so fat
I know you really, really, really want that
All his bitches hate me, hate me, hate me they mad
I can have you, him and him and his dad
Your man texts me, "pull up"
I'm gonna have him rub my butt before we hit the club
We already got a taxi
Waiting
But he wanna do the nasty
Booty, booty, booty, booty, booty so fat
I know you really, really, really want that
All his bitches hate me, hate me, hate me they mad
I can have you, him and him and his dad
Real men want
To have something to
Hold on to while they
Do the do
And that's why they choose me over you
Booty, yeah, booty so fat
I know you want that
Making bitches mad
Cause it's so fat
And he want that
Hahah nah, but for real, I'm telling you
I don't know if you knew this
But that man is all about the booty
