

# Aiden, Cry little sister

A last fire will rise behind those eyes  
Black house will rock, blind boys don't lie  
Immortal fear, that voice so clear  
Through broken walls, that scream I hear  
Cry, little sister - Thou shall not fall  
Come to your brother - Thou shall not die  
Unchain me, sister - Thou shall not fear  
Love is with your brother - Thou shall not kill  
Blue masquerade, strangers look on  
When will they learn this loneliness?  
Temptation heat beats like a drum  
Deep in your veins, I will not lie  
Little sister - Thou shall not fall  
Come to your brother - Thou shall not die  
Unchain me, sister - Thou shall not fear  
Love is with your brother - Thou shall not kill  
My Shangri-Las  
I can't forget  
Why you were mine  
I need you now  
Cry, little sister - Thou shall not fall  
Come to your brother - Thou shall not die  
Unchain me, sister - Thou shall not fear  
Love is with your brother - Thou shall not kill
