

Aiden, Fifteen.

Fifteen I'm strung out.
Once again and kicked out.
I think well I'm on my own,
I'm on my own now.
Sixteen and I said goodbye
to those I knew I'll never see.
Well I can't see home.
I cant see home now.
When I look at the path.
That I chose and I'll say to you.

Live Fast Die Young.
We'll stay out on the run.
So live fast and die young.

Live Fast Die Young
we'll stay out on the run
so live fast and die young

Seventeen I'm sleepin on the
streets and no hope
I think well I'm in the cold.
I'm in the cold now,
I look to a god I said
in my own life.
I'll never see well.
I can't see home.
I can't see home now.
When I look at the path.
that I chose and I'll say to you.

Live Fast Die Young.
We'll stay out on the run.
So live fast and die young.

Live Fast Die Young.
We'll stay out on the run.
So live fast and die young.

We'll cherish every moment last forever,
We'll cherish every moment now,
We'll cherish every moment last forever,
We'll cherish every moment now.(x3)
