

# Aiden, Fifteen.

Fifteen I'm strung out.  
Once again and kicked out.  
I think well I'm on my own,  
I'm on my own now.  
Sixteen and I said goodbye  
to those I knew I'll never see.  
Well I can't see home.  
I cant see home now.  
When I look at the path.  
That I chose and I'll say to you.

Live Fast Die Young.  
We'll stay out on the run.  
So live fast and die young.

Live Fast Die Young  
we'll stay out on the run  
so live fast and die young

Seventeen I'm sleepin on the  
streets and no hope  
I think well I'm in the cold.  
I'm in the cold now,  
I look to a god I said  
in my own life.  
I'll never see well.  
I can't see home.  
I can't see home now.  
When I look at the path.  
that I chose and I'll say to you.

Live Fast Die Young.  
We'll stay out on the run.  
So live fast and die young.

Live Fast Die Young.  
We'll stay out on the run.  
So live fast and die young.

We'll cherish every moment last forever,  
We'll cherish every moment now,  
We'll cherish every moment last forever,  
We'll cherish every moment now.(x3)
