You are mine. I'm sorry if another misunderstands me.
You are mine. You looked at me with loving eyes.
Love is vine. Winding road. Twin heart and body.
Love is vine. Turn red in night. Vanish early in the morning.
Don't sing. Don't sing. deny song me.
I thuthed in heaven to solve my problems.
Don't leave me please! but don't go near.
I'm junk. whence come.
