

Aikaryu, Remember My Brave

Fuu fuku hajo de kurikaeshita negai wo
Cherry blossoms are falling by the wind
The sunday's child sunday's luck
Nagareru hoshi wo mezashita sora to kasane
Your chrysanthemum dream came true at last
Who was that supreme man you were speaking to?
Yoake ni hikihanasareta sekai wa todoranakute mo
Sodachi sugita omoi yokue kirenakute
Remember kagayaiteita yasashii toki wo omoideseru nara itsu ka wa
Brave wasurenai de hashiri tsudukereba donna meiro demo nukidaseru
Yoake ni hikihanasareta sekai wa todoranakute mo
Sodachi sugita omoi yokue kirenakute
Fubuku yuki no naka sae mo hirumu koto naku wa ne no keta
Hana ga sore ga kunshou wa mieru
Remember kagayaiteita yasashii toki wo omoideseru nara itsu ka wa
Brave wasurenai de hashiri tsudukereba donna meiro demo shinjite
Remember hikari ni kakureta eikou no suna ni kokunda ashiato futatabi
Brave ugokanai karada hikizutte demo kami kaminari no mieru ano michi he
