

Aile, Kaika Sengen

Mainichi papa no gokigen totte munashikunai no?
Mainichi mama to kenka bakari de kurushikunai no?
Naraba sono tsunagareta kusari tachikitte
Kimi no ikirubeki hibi wo kaika se yo
Tatta ichido no game
Motto jiyuu ni iki yo!
Datte kimi dake daro?
Sono kanousei wo shiru no wa...
Fumihazushita tte ii jan
Hitori ni natta tte ii jan
Mayotta toki ni wa michibiite ageru kara
Dakara kimi ga kimi de irareru ibasho wo
Mitsuketa nara mou hanasanaideite ne
Saa, ima tokihanate!
Kakusei shita kimi wo!
Machigatte nan ka nai da!
Dare ni nante iware you to!
Even if my select way is wrong, i don't regret.
I'm certainly going to regret not having done it.
Indeed if you want laugh at me, you can do it.
But, in truth, i want laugh at you.
