AIMEE ALLEN

Miscellaneous

Revolution (ost. Birds of Prey)

Hey kids, rock 'n' roll

That's how I lost control

Hey kids, go get high

I can't remember why

Up all night, I waste my time

I am fine, but a day behind

Up all night feelin' stupid 'n' happy

But the days are overlapping

My days are overlapping...

I'd start a revolution

If I could get up in the morning

I'd start a revolution

If I could get up, get up

Start a revolution

Start a revolution

If I could get up, get up

Start a revolution

Start a revolution

If I could get up in the morning...

Hey, every day is the weekend

I stay up, so I sleep in

Hey, everyday there's a reason

To just do it all over again

Up all night, I waste my time

I am fine, but a day behind

Up all night feelin' stupid 'n' happy

But the days are overlapping

My days are overlapping...

I'd start a revolution

If I could get up in the morning

I'd start a revolution

If I could get up, get up

Start a revolution

Start a revolution

If I could get up, get up

Start a revolution

Start a revolution

If I could get up in the morning

If i could get up in the morning

Get up, get up, get up

Get up in the morning

Get up, get up, get up

All the things I do

that you tell me not to

Try walkin' in my shoes

But you stumble, don't you?

4-5-6 a.m.

I'm up all night again

I'd start a revolution

If I could...

I'd start a revolution

If I could get up, get up

Start a revolution

Start a revolution

If I could get up in the morning

Start a revolution

Start a revolution

If I could get up in the morning

I'd start a revolution

get up in the morning

I'd start a revoluton

If I could get up in the morning  
I'd start a revolution  
I'd start a revolution  
If I could get up, get up
