Aimee Blackschledgar, Go To The Goal

Cross the line and win Told you so, Told you I would, Don't call me slow We, oh no in the end, Winner takes it all, I'm brave enough to fly, That's right, I'll be left standing, I'm made of guts, It's the stuff that keeps me going on. I'm grounded, focused on what I have to do, There's no stopping me, It's courage that fools me, I will get through, You'll see. I want to go, Go for the goal, Don't stand in my way, Don't try to stop me I'm going ahead, Right to the top, Give all I got, I'm a winner, And winners don't win it alone Make it do or die, I feel the need to grow, Be the best, Won't stop, 'till I succeed, Brave enough to win, Stength from within, I'll be the hero I was born to be, And You'll be proud of me. I'm grounded, focused on what I have to do, There's no stopping me, It's courage that fools me, I will get through, You'll see. I want to go, Go for the goal, Don't stand in my way, Don't try to stop me I'm going ahead, Right to the top, Give all I got, I'm a winner. And winners don't win it alone Yeah yeah, Don't try to stop me, yeah Hey yeah, I'm going ahead. Let's go, Go for the goal, Don't stand in my way, Don't try to stop me I'm going ahead, Right to the top, Give all I got, I'm a winner, And winners don't win it alone Go for the goal, Don't stand in my way, Don't try to stop me I'm going ahead,

Right to the top, Give all I got, I'm a winner, And winners don't win it alone Cross the line and win, Strength comes from within I'm brave enough, strong enough, And I'm proud enough to win.
