

Aimee Mann, All Over Now

Though I let you steer
You, a cavalier
Inch became a lightyear
It was pathetic

Well you can write the play
At every word I say
But I don't have to stay
To see the credits

'Cause it's all over now
Yes it's all over now
And I'm free

I was one of few
Who'd stick up for you
And so you never knew
You were a punch line

I could not convince
Or trust you
To pick up on my hints
Must you
Leave your fingerprints
On everything I call mine

Well that's all over now
Yes it's all over now
And I'm free
Yes I'm free

From your interference
Which had the appearance
Of making it clear that
It's got nothing to do with me

It's got nothing to do with me

It's got nothing to do with me

It's got nothing to do with me

And I warn you now
The velocity I'm gathering
