

# Aimee Mann, Columbus Ave.

Aimee Mann  
Smilers  
Columbus Ave.  
Storefront, streetcars rattle  
One more losing battle  
What is Columbus Avenue to you now?

Last call tattoo parlor  
Deathbed sword swallower  
What is Columbus Avenue to you now?

The place where you failed  
To make your story go over  
The place where you bailed  
And let the bottom drag you under  
Drag you under

Cheap shot paranoia  
Exiled from Victoria  
What is Columbus Avenue to you now?

Where you moved with a ghastly precision  
To the echos of bones in the air  
Finding hope in an X-ray division  
Of a world that's not there

Cafe sinners bother you  
Empty pockets follow you  
What is Columbus Avenue to you now?
