Aimee Mann, Goodbye Stranger

Goodbye Stranger

It was an early morning yesterday I was up before the dawn And I really have enjoyed my stay But I must be moving on

Like a king without a castle Like a queen without a throne I'm an early morning lover And I must be moving on

Now I believe in what you say Is the undisputed truth But I have to have things my own way To keep me in my youth

Like a ship without an achor Like a slave without a chain Just the thought of those sweet ladies Sends a shiver through my veins

And I will go on shining Shining like brand new I'll never look behind me My troubles will be few

Goodbye strange it's been nice Hope you find your paradise Tried to see your point of view Hope your dreams will all come true Goodbye Mary, Goodbye Jane Will we ever meet again Feel no sorrow, feel no shame Come tomorrow, feel no pain

Now some they do and some they don't And some you just can't tell And some they will and some they won't With some it's just as well

You can laugh at my behavior That'll never bother me Say the devil is my savior But I don't pay no heed

And I will go on shining Shining like brand new I'll never look behind me My troubles will be few Goodbye stranger it's been nice etc...
