

Aimee Mann, How Am I Different

I can't do it
I can't conceive
You're everything you're
Trying to make me believe

'Cause this show is
Too well designed
Too well to be held
With only me in mind

Chorus:
And how - how am I different?
How - how am I different?
How - how am I different?

Verse 2:

I can't do it
So move along
Do you really want to wait until I
Prove you wrong?
And don't tell me -
Let me guess
I could change it all around if I
Would just say yes

Chorus:
But how am I different?
How am I different?
How am I different?

Bridge:
And just one question
Before I pack -
When you fuck it up later
Do I get my money back?

Verse 3:

I can't do it
And as for you -
Can you in good conscience
Even ask me to?
'Cause what do you care
About the great divide
As long as you come down
On the winner's side

Chorus:
And how am I different?
How am I different?
How am I different?

Coda:
Different, different, different, different
Different, different

(3x)
And just one question
Before I pack -
When you fuck it up later
Do I get my money back?
