

Aimee Mann, Humpty Dumpty

Verse 1:

Say you were split, you were split in fragments
And none of the pieces would talk to you
Wouldn't you want to be who you had been
Well, baby I want that too

Chorus:

So better take the keys and drive forever
Staying won't put these futures back together
All the perfect drugs and superheroes
Wouldn't be enough to bring me up to zero

Verse 2:

Baby, you're great, you've been more than patient
saying it's not a catastrophe
but I'm not the girl you once put your faith in
just someone who looks like me

Chorus:

So better take the keys and drive forever
staying won't put these futures back together
all the perfect drugs and superheroes
wouldn't be enough to bring me up to zero

Bridge:

So get out while you can
Get out while you can
baby I'm pouring quicksand
and sinking is all I had planned
so better just go

Chorus:

Oh better take the keys and drive forever
staying won't put these futures back together
all the perfect drugs and superheroes
wouldn't be enough to bring me up to zero

All the kings horses and all the kings men
Couldn't put baby together again
All the kings horses and all the kings men
Couldn't put baby together again
