I Could Get Used To This
>(it's in bbm)

I could get used to this

So far-
Or should i take it just a little farther
So good-
And if i think about it, it gets better
I could get used to this
I could get used to this
I could get used to
Feeling the way that i do
So long-
Or should i stay just a little longer
So much
For keeping it a secret
I could get used to this
I could get used to this
I could get used to
Feeling the way that i do
Oh, all the times i told myself
I could never fall in love
Love is just too difficult
Oh, too bad
I'm only talking to myself about it
So sad-
I guess i'm going to have to live without
I could get used to this
I could get used to this
I could get used to
Feeling the way that i do
I know, i know, i know how it goes
Baby, will i get the chance?
I could get used to
Feeling the way that i do.
