Aimee Mann, Limits To Love

Aimee Mann
Everything's Different Now
Limits To Love
pre>
***intro:
Em d/f# g   c
Em d   c□g

*** verse: 1
Em□□   d/f# □ g□c
We've known her ever since she was a kid
Em□ d□   c□   g
She was the kind of girl who repeats her mistakes
Em□   d/f#□ g□ c
Her parents never minded what she did
Em□ d□   c□□g
She was a fallen angel with dirt on her face
Am □g/b□   c □d
But past a certain point she stayed behind
Am□   g/b□   c□   d
The two of us could never read her mind
Am□ g/b□□ c□ d
The million ways she had of killing time

*** chorus:
Em   d   c
So we just gave up
Em   d   c
Yeah we just gave up
Em□   d
'cause sometimes, you know
C□   g
There's limits to love
C□g c g

*** verse 2:
We'd get impatient with her now and then□□   em□d/f# g   c
Oh, she'd smile and say, `now you're not being nice.'   em d□c   g
I guess her definition of a friend □□   em d/f# g   c
Was someone long on love, and short on advice□   em□d   c   g
We gave her money but the money's bad□□   am□g/b c   d
She took the dollars and just tore them in half□ am g/b   c□d
We got so angry, we just had to laugh □□ am g/b   c□d

*** chorus:
But we still gave up□□□em d□c
Yeah we still gave up □□   em d   c
'cause sometimes, you know□□   em d
There's limits to love□□□c   g□| c g | c g

*** instrumental:

** verse 3:
She'll get in trouble but she will scrape through□ em d/f#   g   c
Oh, she's the kind of girl who can always find help   em d   c g
I'd say she's stupid, but it'd be untrue□□   em d/f#□g   c
Oh, you've got to be smart if you're fooling yourself em d□c   g
We tried to love her, but our love unwound□   am g/b□c   d
(so our love was weak)
We talked about her when she wasn't around□□   am g/b   c   d
(so our talk was cheap)
And still we felt that we were letting her down□am g/b   c□d

```
*** chorus:
'cause we just gave up□□□em   d□c
Yeah we just gave up□□□   em   d   c
'cause sometimes, you know□□   em□d
There's limits to love□□    c□ g

Sometimes you know□□□    em   d
There's limits to love□□□c    g

||: em   d   c   g | c□g   c   g :||
(fade)
