

Aimee Mann, Little Tornado

Little tornado
Bane of the trailer park
Lifting houses to leave your mark
Little tornado
Noah can build his ark
But he will never disembark
Make it go faster
Baby go faster
Make it go twice the speed of you and me
Litter tornado
You and the hurricane
Close your eyes and go campaign
Make it go faster
Baby go faster
Make it go twice the speed of you and me
Oh, no, no we don't
No we don't know
Little tornado blew out the window pane
Left the inside to the rain
