

# Aimee Mann, The Scientist (Live)

Come up to meet you, tell you, I'm sorry  
You don't know how lovely you are  
I had to find you, tell you, I need you  
Tell you, I set you apart  
Tell me your secrets and ask me your questions  
Oh, let's go back to the start  
Running in circles, coming of tales  
Heads are a science apart  
Nobody said it was easy  
Oh, it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start  
I was just guessing, at numbers and figures  
Pulling your puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
So tell me you love me, come back and haunt me  
Oh, and I rush to the start  
Running in circles, chasing of tails  
Coming back as we are  
Nobody said it was easy  
Oh, it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start  
It's such a shame  
It's such a shame
