I want to speak of my house.  
I want to reveal the image of my soul.  
Sometimes when twilight falls, I can see

They frighten me.  
When I open my eyes it gets bright again  
"The beasts" disappear. My house is so beautiful,  
My soul is so light and my conscience so clear.  
So sad it is only an illusion  
Because when twilight falls.
