

Aion, Innocent Pictures

Everything is so huge and incredible
When trees and houses lean over him
The boy thinks that these are pictures from a fairytale
His world is so magic and carefree
I wish these innocent pictures always
Reminds in his imaginations
Children's deserve for it
The boy can see everything differently
His world is beautiful and colourful
There is no everyday-dullness and
Uncertainty about tomorrow
I wish these innocent pictures always
Reminds in his imaginations
Children's deserve for it
So let's don't ever let the fear sneaks
In this world
It's a duty which sits on US-adults
Let's fulfill it
Let's don't ever let the fear sneaks
In this world
It's a duty which sits on US-adults
Let's fulfill it
