

Air Supply, Can't Fight This Feeling Anymore

I can't fight this feeling any longer
And yet, I'm still afraid to let it flow
What started out as friendship, has grown stronger
I only wish, I had the strength to let it show
I tell myself that I can't hold out forever
I say there is no reason for my fear
'Cause I feel so secure when we're together
You give my life direction, you make everything so clear
And even as I wonder, I'm keeping you in sight
You're a candle in the window on a cold, dark winter's night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars forever
'Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby, I can't fight this feeling anymore
My life has been such a whirlwind since I saw you
I've been running around in circles in my mind
Baby, it always seems that I'm following you
'Cause you take me to the places that alone I'd never find
And even as I wonder, I'm keeping you sight
You're a candle in the window on a cold, dark winter's night
And I'm getting closer than I ever thought I might
And I can't fight this feeling anymore
I've forgotten what I started fighting for
It's time to bring this ship into the shore
And throw away the oars forever
'Cause I can't fight this feeling anymore
I've forgotten what I started fighting for
And if I have to crawl upon the floor
Come crashing through your door
Baby, I can't fight this feeling anymore
