

Air Supply, I Can't Believe My Eyes

I Can't Believe My Eyes

I've dance alone a thousand times
To songs that no one else could even hear
I've reached into the flame of love
I couldn't hold it and it disappeared
I've lived to learn to hate the blues
I've lived with ev'rything but you

I can't believe my eyes
I see you here
Lookin' just the way you should
Ooh
So good, it's too good to be true
I've lived my life to be lyin' here with you
ooh
I can't believe my eyes

I've felt the empty hands of time
As they were stealin' all my life away
I've heard the silence deep inside
Waiting for words that lovers could not say
You turn a little into stone
With ev'ry day you live alone

I can't believe my eyes
I see you here
Lookin' just the way you should
Ooh
So good, it's too good to be true
I've lived my life to be lyin' here with you
Ooh

Still, when I see you
I can't believe my eyes

I see you here
Lookin' just the way you should
Ooh
So good, it's too good to be true
I've lived my life to be lyin' here with you
ooh

Still, when I see you
I can't believe my eyes

I see you here
Lookin' just the way you should
Ooh
So good, it's too good to be true
I've lived my life to be lyin' here with you
ooh

Still, when I see you
I can't believe my eyes
