

# Air Supply, Now and Forever (Studio)

When love is new and the world is out reaching for you  
We try hard to hold it all in our hands  
But it slips through like soft drifting sands  
And drying the tears can build it all like new  
Now and forever, remember the words  
From my heart will always be true  
Now and forever, together and all that I feel  
Is my love for you  
Learning each day that the right time was so far away  
To tell you the things I knew  
Now it's clear that the moment we searched for is here  
And counting the years is all I want to do  
Now and forever, remember the words  
From my heart will always be true  
Now and forever, together and all that I feel  
Is my love for you  
Hold me as close as love will allow  
Until all your fears are gone  
What has all passed is over now  
I'm here with you, I'm here with you  
I'm holding on, I'm holding on  
Now and forever, remember the words  
From my heart will always be true  
Now and forever, together and all that I feel  
Is my love for you  
Now and forever, remember the words  
From my heart will always be true  
Now and forever, together and all that I feel  
Is my love for you
