

Air Supply, Sweet Dreams

This is the time when you need a friend
You just need someone near
I'm not looking forward to the night
I'll spend
thinking of you when you're not here

How many times will I think of the things
I'd like to do
Always denied the right to live my life the way
I want
I want to share it with you

Chorus:
Close your eyes
I want to ride the skies in my sweet dreams
Close your eyes
I want to see you tonight in my sweet dreams

I'll think of your kiss as the days roll by
And I'll write the words you love
But what I can't say in a letter
Will just have to wait till I get home

There's not much time to tell you
Half the things that I should
Only that I'm so glad I fell in love with you
And I'd do it again if I could

Chorus

Sleep like a child resting deep
You don't know what you give me I keep
For these moments alone

Chorus (4x)
