

Air Supply, Young Love

Lately all my thoughts have gone to you
You know that's true
Sometimes I feel just a word away
You'll say oh how I miss you too I do

Time is tight I'm lost for words
That's not like me
Only your eyes could know the way that I feel
And how much I need you now with me

Young love so strong has never been a part of me
Young love hold on we're feeling it now is this the way it's meant to be

I know I'll be the one to lose if I'm so wrong
Don't be afraid to put your heart on the line
I'll take you where I know you belong

Take my thoughts away beyond the things we see
Sometimes it seems just a word away
You'll say oh how I really feel it should be

Young love so strong has never been a part of me
Young love hold on we're feeling it now is this the way it's meant to be

Young love so strong has never been a part of me
Young love hold on we're feeling it now is this the way it's meant to be

Young love so strong has never been a part of me
Young love hold on we're feeling it now is this the way it's meant to be

Young love so strong
Young love hold on
Young love so strong
