Airbourne, Stand Up For Rock 'N' Roll

All right people welcome to the show
Are you ready to rock are you ready to go
Yeah we've got what you want and we've got what you need
So get your arse down here n' let your ears bleed
C'mon drink your beer and drink your wine
Let's have a good time
We're ready, so get ready
We're gonna rock, rock tonight

Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll

Forget about the neighbours let 'em cry all night
Yeah it's about time that we set them alight
If you've got a match then we've got the gas
Let's start a fire and have ourselves a blast
C'mon drink your and drink your wine
Let's have a good time
We're ready, so get ready
We're gonna rock, rock tonight

Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up, stand up, stand up
C'mon stand up for rock 'n' roll

We're ready, so get ready
We're gonna rock, rock tonight

Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll, rock 'n' roll, rock 'n' roll
For rock and roll
