

Airdate, Everytime

You, were always the kind of girl to call me at 3am,
We were only best of friends.
I, kept this secret kept a lie, deep down locked inside,
But I've got nothing left to hide.
I've got feelings that I can't deny.
Everytime you fall,
I will pick you up baby.
Everytime you fall,
I won't let your heart hit the ground.
I'll always be around.
I'll never ever let you down.
Me, Just put a little faith in me.
I am trying hard to make you see,
That we were always meant to be.
I, I am not just your typical guy.
I'll never let a day go by,
Without you here by my side.
I've got feelings that I can't deny.
Everytime you fall,
I will pick you up baby.
Everytime you fall,
I won't let your heart hit the ground.
I will always be around.
Everytime you fall,
I will pick you up baby.
(down, down, down, baby)
I'll never ever let you down.
Everytime you fall,
I will pick you up baby.
Everytime you fall,
I won't let your heart hit the ground.
I will always be around.
I'll never ever let you down.
(down, down, down, baby)
