

# Airged L'amh, Warp Spasms

[Red mist sticks king's Nuada mind, when he loses his two sons in the battlefield. The beonze sme  
Battle frenzy my body shakes the Earth  
Mists of poison spiral around me  
As the dawn of battle rages on and on  
The stench of death has filled the evening  
Fearsome warriors ride in silence  
Strong the great champion of Fir-Bolg stood firm  
As the armies of Nuada  
Were slaughtered and butchered to death  
I am determined to banish the evil's domain  
Power, fierce and hatred are my only faithful friends  
Battle frenzy the Earth my body shakes  
Restless spirits gather around me  
Feel the anguish of that long day never fades  
For power and glory the harvest of bloodshed  
I am determined to banish the evil's domain  
Power, fierce and hatred are my only faithful friends
