

# Aisha, Bachelor Of Hearts

Intro:

He's the bachelor of hearts  
Don't even start

He's got a degree  
in being a single man  
and breaking hearts is his only plan  
He's out everyday  
Searching for his prey  
Chasing anyone that passes his way  
If you know like me  
You will be  
On your best behavior  
Because he is a player  
He can sense insecurity a mile away  
Like a shark and its prey  
When he zeros in  
You'll think a hero's in the room  
Then he's gone real soon  
He knows no love  
Only lust  
He knows no fidelity  
Only mistrust  
He's always smiling and winking  
Laughing and blinking  
Girl what are you thinking

Chorus:

Bachelor of hearts  
Don't even start  
His pedigree  
Is of a Labrador Retriever  
He'll pick up any bird  
Then leave her  
He's got a degree in misogyny  
That's not a catch  
There is a catch

Verse 2:

Stop going in the wrong direction

Every woman you meet  
You add to your collection  
You play with emotions  
Like it's a notion  
Broken hearts  
Like sands to the ocean  
You give good men a bad name  
Playing this game  
You have the potential to be a good man  
I don't understand  
Why do you feel the necessity to act this way  
What a game you play

Repeat Chorus

Rap:

The bachelor of hearts  
Always playing his part

Always at the party  
Looking fool hardy  
Always at the club  
Looking for love  
Be real for a change  
Stop playing games  
Do you even remember their names?  
Or have you lost count  
At the sheer amount  
You'll flirt with anything in a skirt  
It doesn't matter who ends up getting hurt  
Then he set his sights on me  
Thinking I would fall for that easily  
But you're out of your league  
And I think you should know it  
You're out of your league  
And you just don't know it  
If you don't want to reap it  
Then don't sow it

Repeat chorus
