

Aitch, In Disguise (feat. Bakar)

She said she don't ever see me, only on the camera
And that just makes her anxious, I'm not surprised
She said she don't wanna be on TV, but I'm handsome
Let me be your Casper, I'm in disguise

Yeah
Face so fuckin' fine
It's bait, I'm looking twice
Shame you don't look at mine
But they do say love is blind
Fame gets put aside
I take my aim, you duck and dive, yeah
Any place I'm up inside just ain't the same, there's nothing right
Yeah, know you like the finer things
Every night, step in designer skins
All you need's a diamond ring
But if you don't reply I can't buy you things
Board the plane, we fly Havana
Cut the chase, let's find the matter
You say you don't like the camera
Love the way you lie, Rihanna

She said she don't ever see me, only on the camera
And that just makes her anxious, I'm not surprised
She said she don't wanna be on TV, but I'm handsome
Let me be your Casper, I'm in disguise
(Yeah, yeah, yeah, yeah, yeah)
In disguise, in disguise, in disguise
When I'm outside, I'm in disguise, in disguise

Won't play like a broken disc
But you still treat me like I don't exist
Sent a DM and closed it quick
Woke up and prayed that you opened it
Keep you with a frozen wrist
But your ex-man can't, he was old as shit
Take rides in the chauffeured whip
I'm the guy but you just ain't noticed it
Know you like the nicer things
So just say the word, I'm flying in
Don't know why you're fighting things
You an't gotta look far, you can find a king
Board the plane, don't like the manor
All the same, your guy's a capper
You said you won't like a rapper
Love the way you lie, Rihanna
(What you on about? I don't even like rappers)

She said she don't ever see me, only on the camera
And that just makes her anxious, I'm not surprised
She said she don't wanna be on TV, but I'm handsome
Let me be your Casper, I'm in disguise
(Yeah, yeah, yeah, yeah, yeah)
In disguise, in disguise, in disguise
When I'm outside, I'm in disguise, in disguise
In disguise, in disguise, in disguise
When I'm outside, I'm in disguise, in disguise

Oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh-oh

Yeah

She don't know man, she don't know 'bout the king man
She don't know I'm the king of my city man
She'll know one day though
We'll get there, we'll get there
