I spit an image when I pay the mic a visit

Got an evil sort of spirit but I'm classy like a violinist even though the lyrics are explicit fam you need

On your marks I swear this is just the start

Right here in the finish line its so far apart

But I'm grinding like Tony tell him don't phone me I can't class him as my homey

To be honest I don't think I know what work rate is

But if I, put my mind to it I could probably shine through it

When I'm feeling stressed I play a beat and rhyme to it

You can send but why do it cause you know that I slew it

If there's a big brick wall in front I'll fly through it

Like, uh, fam I need this I'm hungry for it

Man don't want a feature don't want the white younger on it

Fuck 'em, YouTube I'm doing numbers on it, beats so cold I need to put a fucking jumper on it

Tell 'em if they want it they can come and get it standard

Come through with a mic in front of bare bystanders

Why d'you think that when you call the bitch she never answers
