

Aiza Seguerra, One And Only You

It took one look
And forever laid out in front of me
One smile and I died
Only to be revived by you

There i was
Thought i had everything figured out
Goes to show just how much i know
'bout the way life plays out...

Chorus:
I take one step away
When i find myself coming back to you
My one and only, one and only you...ooh...

Now i know
That i know not a thing at all
Except the fact that i am yours
And that you are mine

Ooh
They told me that this world would be easy
And no
I'm not one to complain...

chorusX2:
I take one step away
When i find myself coming back to you
My one and only, one and only you...ooh...

Ps:LOve yOu bEh!!!!
