

Akcent, How deep is your love

I'm trying... not
To be falling
While I'm into
Thinkin' of you
Wanna touch you
I'm drowning
Inside you
Forever
And ever
How deep is your love?
I'm trying ...to
See you flying
Wanna take you
Into the blue
Wanna hold you
I'm feeling
So magic
When you're here
There's no fear
how deep is your love
I'm falling
Inside this feeling
So keep me falling
Right inside you
Having no clue
Keep me falling
We're falling
Into the blue
Having no clue
What should we do
We'll be falling in.
