No me digas esto a mi
No me digas esto a mi
Ay sentir, sentir tu voz
Ay sentir, sentir tu voz
Softly she whispers a slow melody
A moment ago she was dancing with me
All i want is a kiss, or two
Oh baby don't go
I'm in love with you
Lady i'm falling so please don't go
My heart is in pain 'cos i need you so
All i want is a night with you
Oh baby don't go
I'm in love with you
No me digas esto a mi
No me digas esto a mi
Ay sentir, sentir tu voz
Ay sentir, sentir tu voz
