

Akcent, Now You're Gone

And now you're gone
Drifting slowly far too long
Broken pieces
Cold but strong.

And now you're gone
Try to find where we went wrong
Left in pieces
All alone.

And now you're gone
And now you're gone

I miss you, I miss you
I need you, I need you
I need you just like stars need the light
I fight for you baby
I fight for you lady
I fight for you're love like the sun fights the night.

And now you're gone
Drifting slowly far too long
Broken pieces
Cold but strong.

And now you're gone
Try to find where we went wrong
Left in pieces
All alone.

And now you're gone.
And now you're gone.

And now you're gone
Try to find where we went wrong
Left in pieces
All alone

And now you're gone
Drifting slowly far too long
Broken pieces
Cold but strong
