

Akcent, That's My Name

And you are the one that likes the fire
I am the one who takes you higher
I lose my voice when you say my name
That's my name, that's my name, that's my name

And you are the one that likes the fire
I am the one who takes you higher
I lose my voice when you say my name
That`s my name, that's my name, that's my name
It's my name, it's my name, it's my name.

All the time I thought about you
I saw your eyes and they were so blue
I could read there just one name
My name, my name, my name
Because of you I'm flying higher
You give me love, you set on fire
You keep me warm when you call my name
That`s my name, that's my name, that's my name

And you are the one that likes the fire
I am the one who takes you higher
I lose my voice when you say my name
That's my name, that's my name, that's my name
And you are the one that last the fire
I am the one who takes you higher
I lose my voice when you say my name
That's my name, that's my name, that's my name.
