

# Akinyele, How Do You Feel

Hook - (Christine McLean)

How do you feel now taht you know you cheated on me  
Was she as good goody goody good as can be  
How do you feel knowing that I know  
And how do you feel cause I'm out the door  
And how do you feel knowing that I cheated on you to

(Christine McLean)

And did she get you open with a 69  
Doggystyle that's from the back and from behind  
Now did she do you well  
Did she go down low  
Did she take it fast or did she take it slow  
See my guy he did me and he did me well  
He kissed my lips  
He touched my tits and then my panties fell  
With some cherry jello and the cool whip cream  
I feel man dick go up inside of me

Now did she get you open with a second round  
On the bed the chair or maybe on the ground  
Was it as good as good as you thought it'd be  
Did the skinny amateur even compare to me  
When my guy got finished with his love and flow  
He showed me many many things that you didn't know  
And by the time we reached found 44  
It took his time laid me down and we made love some more

Hook

(Akinyele)

Ha now I didn't even mean to cheat on your pussy  
I found another lady who said she'd fuck me for free  
And I didn't even like have to eat her out  
The first thing she put this dick up in her mouth  
Now I'm not saying that I was loving the chick  
I was a little astonished from the way she ws sucking the dick  
Do get me wrong later on I'll probably be fucking the chick  
Get on some Donald shit  
Then start ducking the chick  
Now the motherfucking moral of the story is  
You cheat on me I'll cheat on you that's just how it is  
My new sweetie she know I don't come speedy  
Before she give me long head like Nephrotite  
Now what we do with me and you don't go tell he or she  
Keep it to yourself like Monica Lewinsky  
So we don't blow trial  
Or get caught up  
When we cheating in the night cause we get hard up  
Keep the guards up  
When you creeping through  
Cause all the bitches that cheat this song's for you  
And all the niggas that cheat this song's for you  
And everybody that cheat's this song's for you  
It goes

Hook

(Both) 4x

Don't trust no nigga or bitch that calls you the word boo  
Cause they might be cheating on you
