

# Akinyele, Just Put It In My Mouth

Crystal Johnson

Intro:

My baby left me  
Left me sad and blue  
I didn't know what to do  
Without my baby baby baby  
And then I met his best friend  
And he took me to his house  
And I said... I said... I said  
(What you said baby)  
Let me tell you what I said

Put it in my mouth  
She said put it in her mouth  
I said my muthafuckin mouth  
I mean her muthafuckin mouth  
Put it in my mouth  
She said put it in her mouth  
My muthafuckin mouth  
I mean her muthafuckin mouth  
Put it in my mouth  
She said put it in her mouth  
My muthafuckin mouth  
I mean her muthafuckin mouth
