

You know that i need you,  
your my every i breath you.  
so dont try to change me,  
so dont try to change me,  
why would you change me?  
why would you change me?  
baby i will let you go.  
so dont try to change me,  
so dont try to change me,  
why would you change me?  
baby i will let you go.

Keri Hilson

why would you wanna change me,  
arrange me, is that what you call love?  
maybe you need somebody different,  
somebody who fits you like a glove?  
but dont change, everything,(dont change, baby dont change me)that you love,  
about me, when you know that i love you.

You know that i love you,  
You know that i love you,  
You know that i need you,  
your my every i breath you.  
You know that i love you,  
You know that i love you,  
You know that i need you,  
your my every i breath you.  
so dont try to change me,  
so dont try to change me,  
why would you change me?  
why would you change me?  
baby i will let you go.  
so dont try to change me,  
so dont try to change me,  
why would you change me?  
baby i will let you go.
