

# Akon, Dancing to the dark

Can we try again  
To start a new a lovely story that will shine a ray of light upon our hearts that will bring back long lo  
Of how it used to be  
Baby you and me  
Convinced we were each others destiny  
My heart cries out to you, you must forget me  
Ive been dancing in the dark  
Ive been searching for a spark  
The fires still burning  
I believe we will make it through  
If you stand buy me  
We can weather rain or storm  
We can keep each other warm  
As long as theres love  
Every time I think of us  
My eyes are filled with tears to think that  
I gave into true temptation  
With words thats like music to my ears  
I hope its not too late  
But ur still awake  
Still ur in heaven  
Baby-----  
My heart cries out to you, you must forget me  
Ive been dancing in the dark  
Ive been searching for a spark  
The fires still burning  
I believe we will make it through  
If you stand buy me  
We can weather rain or storm  
We can keep each other warm  
As long as theres love  
Mmmmmmmmmmmmm  
Faith is not mine ,and if I could id unturn the hands of time  
My heart cries out to you, you must forget me  
Ive been dancing in the dark  
Ive been searching for a spark I believe we will make it through  
If you stand buy me  
We can weather rain or storm  
We can keep each other warm  
As long as theres love
