Akon, Don't Let Up (Version Without Sample)

Don't let it get to you, oh babe
Girl, I know you're fed up but things gon' get a lot better
Don't let it get to you, oh baby
Don't wanna see you give up, whatever you do don't let up
Girl, I know that things are hard now
And you're feeling like that you're all alone
Mom and dad's no longer 'round now
'Cause now you're grown with kids of you're own
Baby, dad is no where to be found
While you play the role of mom and papi
Always home and can't go out now
Can't remember the last time that you were happy
Whatever you do
Don't let it get to you, oh babe
Girl, I know you're fed up but things gon' get a lot better
Don't let it get to you, oh baby
Don't wanna see you give up, whatever you do don't let up
Every man that you meet on the streets
Your lookin' at him like he's an enemy
Girl, I know that you can't hurt no more
You've been damaged, can't trust nobody
And I know that you can just move on
If you let you're past blow with the wind
Then you will find that guy
That you always wanted from friend to husband
So girl, until then
Don't let it get to you, oh babe
Girl, I know you're fed up but things gon' get a lot better
Don't let it get to you, oh baby
Don't wanna see you give up, whatever you do don't let up
No matter how bad things get
Girl, don't let it get to you
I know you're tryna make ends meet
So girl don't let it get to you
You only got one life to live
So don't let it get to you
So now go on and make the best of it
And just don't let it get to you
Don't let it get to you, oh babe
Girl, I know you're fed up but things gon' get a lot better
Don't let it get to you, oh baby
Don't wanna see you give up, whatever you do don't let up
Whatever you do
