

Akon, Dreamer

Maybe Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
Baby Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
Maybe Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
Baby Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
Maybe Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
When youre lonely
Just give me a call
My love or my homie
We can share it all
Always been there for me
We witnessed it all
And we plan to be,
Till eternity.
Maybe Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
Baby Im just a dreamer
Cause this woman is a keeper
Got me feeling like I need her
Every day Im getting weaker
