

Akon & Plies, Hypnotized

You got me so hypnotized
The way your body rollin' round and round
That booty keep bumpin'
*** just bouncin' up and down
You got me so hypnotized
The way your body rollin' round and round
That booty keep bumpin'
*** just bouncin' up and down
It's two o' clock in the mornin'
I'm yiked up and I'm horny
All I need now is some moanin'
That *** got me zonin'
Her vibe tell me she want it
She gotta *** as she on me
I got her now
