

Akon, Senegal

Yow

In case u aint know I go by the name of akon and im from (afrika afrika) home of the gorder island im from senegal westside(afrika afrika) so im gonna share with you were i come from an how i was comin of(afrika afrika).

Verse 1

So what you know about the struggles that my people went trough so you can live the way you live now
Say what you know about seeing that brand new mother giving away her newborn child
what u know about mr amadu ndiaij that the senegalis cops shot down
say what u know about how people love to presive os when we are comin to a bran new town
what u know about goder island were all the slaves were shiped from
what u know about beeing born in america to aful the imigration

Still from the ghettos of senegal(afrika afrika)
Comin from the ghettos of senegal(afrika afrika)
comin from the ghettos of senegal (afrika afrika)
comin from the ghettos of senegal(afrika afrika)

What you know about schebujcen yassa Schene and mafe my favorite foods
Say what you know about niggas trowing rocks buses hats at the military invatin my hood
So what you know about kids whit automatic machins waiting for the war to get on their side
So what you know about what comes first in their lives everything that we do is for our love
So what you know about that holy place called tuba were profets were born
and what you know about comin here gettin money investin it back home

Right from the ghettos of senegal(afrika afrika)
Give it to the ghettos of senegal(afrika afrika)
Take it to the ghettos of senegal (afrika afrika)
send it right to the ghettos of senegal(afrika afrika)

See thats just a little piece of what we can do
see but we can come togheter and make it lot better at home
