

# Akon, Shake Down [Explicit]

Konvict, Konvict, stand up, salute, Devon Stephens  
Up front is in the building, bless y'all  
It's the Konvict album, yeah, y'all done fucked up now  
I got money now nigga, I got enough money to free all the stars  
(It's a shake down, oh)  
He ain't lyin', if you sellin' we ain't buyin'  
If it's scattered on your block, you best believe we supplyin'  
From a key down to a half a pound, a quarter to a dime  
Tryin' to own a piece of Brooklyn like my niggas John Klein  
Hey, you know me I'm known to rock with  
Roll through your spot with, post up block with  
Hey, you know me I'm on the block with  
Non-stop with, violate and get popped with  
Hey, so I suggest you keep steppin' on me  
'Cause you will rarely find me without my weapon on me  
Got the whole Konvict squad bettin' on me  
And now the dots around the world are now connectin' on me  
Hey now, a bunch of gangstas strapped  
So make a way now, when they come wavin' them gats  
You know to lay down and give 'em all you got  
'Cause it's a shake down, oh  
Hey now, a bunch of gangstas strapped  
So make a way now, when they come wavin' them gats  
You know to lay down and give 'em all you got  
'Cause it's a shake down, oh  
'Cause it's a shake down, oh  
'Cause it's a shake down, oh  
'Cause it's a shake down, oh  
Do I make myself clear, oh, hey, hey, hey  
A fleet of European cars in my driveway  
[Incomprehensible]  
My shorty ridin' shotgun bumpin' Sadie  
Toes hangin' out the window loadin' up my army  
You know I keep a bad bitch breathin' on me  
Also known to have no business with no beefin' on me  
And won't hesitate to cock it when them people on me  
So guess what, no exceptions to you neither homie  
You know I got that African connection  
Locked up in a facility correction  
I'm a star, style changed hangin' like blaow  
Black royals of front, we in the place now  
Hey now, a bunch of gangstas strapped  
So make a way now, when they come wavin' them gats  
You know to lay down and give 'em all you got  
'Cause it's a shake down, oh  
Hey now, a bunch of gangstas strapped  
So make a way now, when they come wavin' them gats  
You know to lay down and give 'em all you got

Do I make myself clear, oh  
Now I'ma show you how to break this down  
He'll back show you how to shake this down  
First nigga to create this sound  
Can't believe it took a Konvict to shake this town  
Dippin' European linen with the V-net  
Diamond studded VVS, that's no less  
Kunta Kinte bracelet, lit up the whole set  
My nigga we on deck, man believe it's no sweat  
Need street credibility who you go get  
I give you that credibility for the right check  
Keep your future on the shelf, quiet where it's best kept

Don't want them upfront shooters bringin' red light  
Hey now, a bunch of gangstas strapped  
So make a way now, when they come wavin' them gats  
You know to lay down and give 'em all you got  
'Cause it's a shake down, oh
