

Akon, Smack That Remix

Shady
Konvict
Upfront
Akon
Slim Shady

I feel you creeping on, I can see from my shadow
Wanna jump up in my Lamborghini Gallardo
Maybe go to my place and just kick it like Taebo
and possibly bend you over look back and watch me

Chorus (2X)

Smack that all on the floor
Smack that give me some more
Smack that 'till you get sore
Smack that oh-oooh!

Verse 2: (Akon)

Shorty if you wanna ride, you can ride on me
We can bump heads than collide on me
Won't beef damn right, 'can rely on me
To bring that Campbell like Naomi!
It's cool that girl ain't taking on easy
Looking all oiled up and all greasy
'Bout that time you stop that teasin'
The way you drop! Got me a cheesin'

What's funny is that you're taking all my money for real
I rather spend it all on you right now than my homie's bill
And I can see that's what you're made from,
And you never been a lame hoe
With that booty bought and paid for
Won't move till you're on my payroll

I feel you creeping on, I can see from my shadow
Wanna jump up in my Lamborghini Gallardo
Maybe go to my place and just kick it like Taebo
and possibly bend you over look back and watch me

Chorus (2X)

Smack that all on the floor
Smack that give me some more
Smack that 'till you get sore
Smack that oh-oooh!

Verse 3: (Stat Quo)

Yea! Yea!

Stat Quo! Lets get it!

Love when you do it, love move to it, like you used to it drop it down, wanna put my thang to it
to the crib we go, go fast and slow
make it twurk like stripper, slide down my pole
shawty *** so swole, got your boy like 'whoa'
one night with me, and she wanna marry Stat Quo
but im like 'no', lets keep it on the low
on occasion let me come through and tap that hole
make you lose control, all the girls know
that i hit it right, at night im a pro
i only come 'round to get sexual
she flexible and bisexual
i might stay around for a longer time
only if, only if she can blow my mind
i can hurt that, murk that, work thats fine

now she in love and wants to be mine
Stat Quo

I feel you creeping on, I can see from my shadow
Wanna jump up in my Lamborghini Gallardo
Maybe go to my place and just kick it like Taebo
and possibly bend you over look back and watch me

Chorus

Smack that all on the floor
Smack that give me some more
Smack that 'till you get sore
Smack that oh-oooh!

Verse 4: Bobby (Creekwater)

Yea, Bobby Creek..
know what im sayin..
the ice in the watch reflects the light to her
the money quite green, and the ice light blue-er
the sweat might kill her
so i say goodnight to her
she dont want me to leave
i can see right through her
so we..dipped out, burn, one trip, out
get low like caribbean limbo
then you go out like light
baby girl get right
head so swole, my hat dont fit right
we can cruise in the car or we can take flight
the middle of the night
make your body act like Mike Vick against the Eagles
call myself a King cause im Regall
to be this hot its not legal
but we dont care listen baby its a fact that
if you drop back, ima quaterback sack that
we can go deep and i can shark attack that
say you dont remember where your keys and your hat at?

I feel you creeping on, I can see from my shadow
Wanna jump up in my Lamborghini Gallardo
Maybe go to my place and just kick it like Taebo
and possibly bend you over look back and watch me

Chorus

Smack that all on the floor
Smack that give me some more
Smack that 'till you get sore
Smack that oh-oooh!
