

# Akrasia, Teapot

I'm a little teapot short and stout  
Here is my handle, here's my spout  
When I start to steam up hear me shout  
So tip me over and pour me out

I'm a little teapot full of doubt  
Not quite sure what it's all about  
When I'm in a corner hear me shout  
Tear down these walls and let me out

And I don't see myself  
Wanting you anytime soon  
And I don't see myself  
Loving you anytime soon

I'm a little teapot, yeah that's me  
As cold to hold as a girl can be  
And my knack for a lack of complacency  
Is like tracing the lines to watch them bleed

And i don't see myself  
Wanting you anytime soon  
And I don't see myself  
Loving you anytime soon  
And i don't see myself  
Wanting you anytime soon  
And i don't see myself  
Loving you anytime soon

(solo)

I'm a little teapot, cracked and scarred  
Careful not to drop my guard  
Don't get too close, cause I'll discard  
What I feel for you when it gets too hard

And I don't see myself  
Wanting you anytime soon  
And I don't see myself  
Loving you anytime soon  
And i don't see myself  
Wanting you anytime soon  
And i don't see myself  
Loving you anytime soon
