

Al B. Sure, Just For The Moment

Yeah, alright

Just for the moment, just for the moment
Don't ya know I tried so hard to please?
Just for the moment, just for the moment
The way we first met, it happened so fast
I thought too soon but I hoped it would last
I didn't know you and yet we still made love
We rushed into things but it was Heaven above
I know you were not sincere, you were not sincere
I know you were not sincere, 'cause if you loved me
I know you'd be here, you'd be here with me
Just for the moment, just for the moment
Don't ya know I tried so hard to please?
Just for the moment, just for the moment
You know I love ya' so right don't throw it away
You've got to feel right if you want me to stay
I want somebody to love me for me
'Cause if you come back around, I need to get up and leave

I know you were not sincere, you were not sincere
I know you were not sincere, 'cause if you loved me
I know you'd be here, you'd be here with me
You'd be here my dear
Just for the moment, just for the moment
Don't ya know I tried so hard to please?
Just for the moment, just for the moment
I know you were not sincere, you were not sincere
I know you were not sincere, 'cause if you loved me
I know you'd be here, you'd be here with me
Just for the moment, just for the moment
Don't ya know I tried so hard to please?
Just for the moment, just for the moment
See I can tell you how I feel about you
But you loved me just for the moment
I can tell you how I feel about you, hey
