

Al B. Sure, Nite and Day

Can you feel it, baby? I can, excuse me
Do you think that I might be able to touch you?
Who me?
I can tell you how I feel about you nite and day
(How I feel about you, no, no)
I can tell you how I feel about you nite and day
(How I feel about you)
I'll love you more in the rain or shine
And makin' love in the rain is fine
A love so good and I call it mine
Love is blind
I can tell you how I feel about you nite and day
(How I feel about you, no, no, no)
I can tell you how I feel about you nite and day
(How I feel about you)
Believe me when I say that I do care
(I can tell you)
I'd like to run my fingers through your hair
(I can tell you)
Baby if you left I could not bear
(I can tell you)
Please don't share
Do you love me? Please let me know
(I can tell you)
Don't hide the feelin', just let it show
(I can tell you)
A feelin' so deep that comes within
(I can tell you)
What kind of love am I in?
I can tell you how I feel about you nite and day
(How I feel about you, no, no, no)
I can tell you how I feel about you nite and day
(How I feel about you)
If you and I were one, girl
The love we'd share would be so fun
Just take my hand and you'll see, girl
That we'd take off into another world
I can tell you how I feel about you nite and day
I can tell you how I feel about you nite and day
(I'll love you more in the rain or shine)
I can tell you how I feel about you nite and day
(Nite and day, nite and day, nite and day)
I can tell you how I feel about you nite and day
(Makin' love in the rain is fine)
I can tell you how I feel about you nite and day
I can tell you how I feel about you nite and day
(How I feel about you, how I feel about you, how I feel about you)
