

# Al B. Sure, Rescue Me

Do you wanna, wanna, do you wanna, wanna  
Do, do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

There's a girl standin' there, made just for me  
If I opened up my eyes then maybe I would see  
You know you always cross my mind

I'm gonna get that girl and do it right this time  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

The fellas always say, why do you feel this way  
I'll always love that girl until my dyin' day  
Don't try to change my mind because hearts don't lie  
She could be the girl who loves this guy

All I hope for in my dreams at night  
She walks right through the door  
You know you're always on my mind

I'm gonna get that girl and do it right this time  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

Please, I can't take no more

I can't take no more  
You, you the one I adore  
The one B. Sure, adores

Do you wanna, wanna  
Do you wanna, do you wanna, wanna  
Rescue, rescue, rescue me

Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me

Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Do you wanna, wanna, do you wanna, wanna  
Rescue me
